Annual Subscriptions - please send your details and **$25** (cheques payable to 'Windellama News') to cover the annual cost of postage.

All cheques please post to:

The Secretary, PO Box 705, Goulburn. 2580

* Unpaid subscriptions will be cancelled after one month

If you have any short articles, anecdotes, or something else interesting about yourself, your family, or the community; please write it down and drop it in our letterbox at the Hall. We will edit it and publish it in the Windellama News.

A LOCKED POSTAL BOX IS AT THE FRONT OF THE HALL, 3444 OALLEN FORD RD, IN THE STONE WALL FOR THE COLLECTION OF ITEMS FOR PUBLICATION

Items left in the box after the deadline will not be collected or included in the News

Articles, adverts, etc may also be sent by email to:

newswindellama@gmail.com

Adverts sent by email will not be inserted unless payment is received by the deadline.

Our Policy on Receipts

The Windellama News makes out a receipt for all advertising payments made to the paper. We don't post out receipts to save cost and we assume that the appearance of the advertisement in the paper could normally be taken as proof of payment.

If you require a posted receipt please include a stamped self-addressed envelope with your payment.

It would be greatly appreciated if anyone sending money to the Windellama News would include their name and address and a note saying what it was for and put it in a sealed envelope. This would avoid a lot of confusion and uncertainty .

New look for the Windellama News

Following some suggestions over our Christmas meeting we are trying some new formats for the Windellama News.

This edition features a slightly larger font (Calibri 14pt), ragged right margins and fewer 2 column pages.

We are always looking for articles, and items of interest, so if you have anything for us, please let us know. Our email is newswindellama@gmail.com

Postcard From……

Tell us what is happening at your place in our new feature "A postcard from……" If you would like to contribute, give Lyn or Gayle a call, of drop us a line at newswindellama@gmail.com.

Craft @ Windellama Hall

We meet every Tuesday of the month except the first Tuesday.
All welcome. Time 1—4 pm for more information please call Irene Turner 48445 214.

Coming Events…

March

8 Tarago Show

April

3 Good Friday
5 Easter Sunday

18 Windellama Brigade Auction

Please note that due to space issues the Historial article, "Farming and Land Grants" will appear in the April Edition.

Windellama Community Facebook Page

Lots of information, photos and comment. This facebook page is supported by the Windellama Progress Assoc . Take a look & support it with a 'like '.

Bungonia & Windellama Property Owners Beware: Recently there were break-ins at 2 properties. Keep an eye out for any suspicious activity and notify the local police.

The Tarago Preschool would like to invite parents or grandparents along to an information session with Dr Steve Hartman a Paediatrician who trained at Sydney Children's Hospital and who has been a Consultant Paediatrician for 28 years. He has also completed extensive studies at the Institute of Family Therapy of Australia and the Institute of Psychiatry.

The presentation will focus on common challenging behaviour in young children (eg sleeping, eating, tantrums) and strategies, which are useful in modifying these behaviours.

The information evening is on Wednesday the 18th March 6.15pm for a 6.30pm start at the CWA rooms in Tarago. Cost $5 per person to cover Dr Hartmans fee. RSVP for catering please to Helena at Tarago Preschool 48494427 numbers limited.

Oallen Ford Bridge Update

Work on new Oallen Ford Bridge begins

Work on the construction of the new $3million Oallen Ford Bridge has begun in earnest with a July completion date forecast, subject to weather and river conditions. Goulburn Mulwaree Operations Director Matt O'Rourke said the new bridge would be 5.36m above the Shoalhaven River and 120m in length. It would allow passage up to a one in 20 year flood. At the moment, the clearing of vegetation on the Goulburn side of the Shoalhaven River from the road approach down the river is occurring make way for large earthworks.

"We are currently clearing vegetation, which will allow Council's subcontractor to get in with the heavy plant in to carry out the excavations required at the site," Mr O'Rourke said.

Mr O'Rourke said between now and mid-February, the bulk of the earthworks would be carried out, with the concrete bridge works to begin by the end of February.

"Once the bridge has been constructed, Council staff will complete the road works by integrating the new approaches into the existing road. We expect to have bridge approaches completed by the end of June, subject to weather and river conditions."

He said after the construction, the old timber bridge would be dismantled. Once this is completed, re-vegetation of the site would begin.

"One of the key aspects of the bridge's longevity is to put erosion control in place as the river will be subject to periodic flooding," he said. "All going well, Council hopes to have the bridge in operation by early July."

Mr O'Rourke said there would not be any disruption to traffic during the initial phase, however the existing road would need to be closed for a short period of time to allow integration of the bridge approaches into the existing road.

"This will require the existing road to be closed for a short period," he said. "The community will be advised of these closures well in advance through Council notices, the Community Newsletter and in traditional and social media."

He said the total cost of the new bridge would be around $3million and that the project was largely funded by the Roads and Maritime Services. Council will fund the bridge approaches.

Windelllama Progress Assoc.

Report from Windellama Progress Association

Windellama Progress had its first meeting of the year on the 16th February. A number of items were on the Agenda and discussion was lively and many different points of view were put forward. We decided to carry a couple of items over to our next meeting so everyone can be fully informed.

A big thanks to Francis Knights for chasing up some outstanding accounts from the Field Day .

Windellama Hall was lucky to be the host site for the recently held Windellama Art & Craft Show which would have made the Hall look pretty good. Next month the hall hosts the Country Music Talent Quest from the 6th -8th, and the Monthly Markets are on the 15th. Don't forget the Fire Brigade Auction I April and later in the year we are providing a lunch for a tour car club.

Our next Committee Meeting is the 3rd Monday of the Month (16th) at the Hall at 2pm. Feel free to drop in give us some ideas and have a cuppa. Any questions please contact our Secretary Christine Woodcock , after she finishes her cruising on the high seas !!!!

Leanne Lourigan - on behalf of the Association

Windellama SES First Aid & CFR

Windellama unit played host to Goulburn and Bungendore units at my property, where they carried out a Chainsaw operators course.

There were about 20 people in attendance, these courses are recognized Statewide and offer opportunities for them to gain employment, as has happened in the past.

We now have 20 members at the Windellama Unit, which is looking much better, young blood being included in some of the new members, very encouraging.

May I please advise residents that it is not practical to give lot numbers for their address when calling for assistance, whatever form it may take, as they are of no use and create much lost time money and recourses. If you do not have a road side allocated number as issued by the relevant council, ask for one.

We as CFR members in particular, find ourselves being called to many varied and interesting jobs. Come on, join up and see for yourselves. The next course, so I am told is in late September early October.

TARAGO WORM FARM VISIT

Our next activity will be a visit to Cid Riley's Globalworming worm farm at Tarago on March 28. This promises to be a great experience for Landcarers and Garden Club members. Cid will conduct the tour and will demonstrate the advantages of keeping some composting worms on a small scale for the home gardener and on a larger scale for the primary producer.

Watching Cid's worms convert any old organic rubbish into highly fertile worm casts is a sight to behold.

Location: 26 Goulburn Rd Tarago. Heading out of Tarago to Bungendore no 26 is on the right 300m after the railway level crossing on the corner of Goulburn and Covan Roads. Meet at 9.30am for morning tea.

The tour will start at 10am. See you there.

Windellama Garden Club

Hi! Everyone,

Well the Country Fair is over for another year and what a busy time we all had:

- setting up the hall;
- taking the entries;
- making sure everything was perfect; and
- then the clean up.

There are some very clever people out there producing all manner of handicrafts and arrangements, and what beautiful flowers! I'm envious.

The raffle winners were:

1. Hamper: B. Bowes;
2. Wok: C. Poulter,;
3. BBQ Utensils: K. Roach;
4. Statue: R. Woods; and
5. Tapestry: I. O'Donnell.

In the near future we will be giving lessons on flower arrangement so stay tuned for dates and times in the next newsletter.

Our next meeting is on the Tuesday 10th March 3564 Oallen Ford Rd. We will be discussing the Country Fair and how next year we might be able to improve things. If you have any feedback on how to improve next year's Country Fair, or would like to come along and discuss things, please feel free. My phone number is 4844 5128.

Happy Gardening

BUSH FIRE DANGER PERIOD COMMENCES ON 1ST OCTOBER 2014

SOUTHERN TABLELANDS ZONE

NSW Rural Fire Service SOUTHERN TABLELANDS ZONE has declared the start to the statutory Bush Fire Danger Period (BFDP) as at 1st OCTOBER 2014.

From October 1, any person wishing to light a fire in GOULBURN MULWAREE, UPPER LACHLAN and YASS VALLEY Local Government areas will require a permit.

During a Total Fire Ban however, no fires of any kind may be lit even if you hold a permit.

Take Care: Once again we would like to remind you that extreme care must be taken when working outside such as welding or using grinders and in particular when driving in long grass or using a slasher or mower as all these events can easily result in the start of a fire.

PERMITS ARE STILL REQUIRED UNTIL 1st APRIL 2015,

COMING EVENT - BRIGADE AUCTION 18th APRIL 2015

Brigade Auction to be held on the 18th April at the Windellama Hall & Grounds. So now is the time to get together all those unused goods as they could be exactly what someone else is looking for. If you can spare some time to help either with catering or in the office please contact 4844 5359 as much of the setting up and work is done on the day before as well as on the day. **Become involved in your community and be assured your assistance and efforts are greatly appreciated.**

Training:

If you wish to take part in the Windellama Brigade training or be contacted by email regarding the monthly training details visit the Brigades website and send an online contact form or email windellamarfstraining@gmail.com. WINDELLAMA HISTORICAL SOCIETY Inc.

Hello Everyone,

We are in the process of arranging another exciting year for our popular excursions, our first excursion for 2015 will be on Saturday 2nd May and we will be going to Nerriga, more details in the next edition of the Windellama News.

Come and visit our museum and have a look at what is on display, we have a few things '***Under Construction'***, and are in the middle of establishing some very important photos in a easy to look at method on the wall, so please visit soon and tell us what you think and also what you would like to see.

The museum is open on **Market Days** - every third Sunday of each month, from 9ish-am.

There is a selection of Windellama local history books by Tom Bryant and books by our local poet, Rex Hockey as well as the ever popular **Wild Windellama** by Carina Clarke for sale in the museum; we also have bookmarks and postcards with images of early Windellama.

Our Next Meeting will be 28th March 2015 10am

NEW MEMBERS ARE ALWAYS WELCOME

For any enquiries please contact: **Rex Hockey: 48 445147**
Marcia Tatam: 48 216421
Julian Woods: 48 44 5270

Television Reception in Bungonia

Some residents of Bungonia have experienced poor or no TV reception since the recent re-stack transmission frequencies for ABC, SBS and other commercial channels. It seems that the Federal Government has sold off TV frequencies to telephone companies.

These changes mean that an expensive satellite dish & decoder would need to be installed on each home to maintain the TV signal.

Ros & Ian Beveridge have spoken to the local MP about this issue and would like to hear from any other residents who are experiencing poor or changed TV reception. Please contact Ros or Ian on 02 48 444 444 for more information.

Fees for Hire of Hall or Supper Room at Windellama Hall

March In Your Garden

By Irene Turner

This month with hopefully warm days and cool nights our Autumn toned trees and shrubs will start to change Into their red and orange colours.

VEGETABLES

Plant out cauliflower, cabbages, brussel sprouts and broccoli seedling now, and feed them with liquid fertilizer to get these plants established for winter harvesting. If planting these plants cover with netting or old curtains to keep the cabbage moth off them.

Lettuce, turnips, radish and white onions seed or seedling can also go in now.

FLOWERS

Seedling to be planted now- alyssum, pansy, viola, stocks, poppies, calendula, carnations, dianthus, polyanthus, larkspur, snapdragon, static, verbena.

Seedling of- wallflower, sweet Williams (tall) and dwarf.

Seeds of Virginian stock sow directly into the garden.

Perennial plants should be in nurseries this month. These include hollyhock, Canterbury bells, aquilegia (columbines), delphinium and pentstemons. If you have pentstemons in your garden this is a good time to divide the old plants and trim and take cutting.

You can fertilizer your lawns with complete lawn fertilizer now and water it in well. Propagate cutting of geranium, fuschia and hydrangeas. Good mixture is 1 part coarse sand to 2 parts of peatmoss.

Watch for insects such as aphids and caterpillars on roses. Hose off or spray with rose spray. With all the wet weather we have had roses could have black spot and powdery mildew. Remove and throw out any foliage that is badly infected to reduce further spread.

Make a safe-to-use spray. In a spray bottle, add 1 tablespoon of horticultural oil, add 1 heaped teaspoon of bicarbonate of soda to 2l of water. Shake it well and spray to saturate the whole plant, including the undersurface of leaves. Repeat the spray in the morning, once per week or after rain.

Fertilize your roses every 4-6 weeks. Water deeply and maintain mulch cover throughout the season to help keep your roses in top shape.

WINDELLAMA PLAYGROUP

at

Windellama Public School

Each Thursday

9.30am – 11.30am

Notes on Garden Club Meeting 3rd February 2015

We had an interesting and informative meeting this month. We visited Bruce and Doreen Herrett's property near Goulburn. Bruce had kindly invited Peter and Robyn Simpson—both agronomists, to give us a talk about soils and how to improve them. Everyone appreciated the knowledge which both imparted to us all—in clear and simple terms. They were both so friendly and forthcoming—no-one felt embarrassed to ask questions. The notes which they provided were very clear and helpful and we should all improve our gardens! They thoroughly recommended the Manutee Soil pH Test Kit which is easy to use. Robyn said that she had good results creating micro-climates in her garden by experimenting with different shrubs and trees especially for windbreaks .

Both Peter and Robyn stressed the importance of building up our soils with organic matter (compost, mulch and lawn clippings) which will progressively improve the soil structure.

After the very encouraging talks, we fortified ourselves with lunch and then ventured out to explore the garden. Bruce and Doreen have a wonderful collection of trees on their property and Bruce has mad a ship's bow in the garden for their grandchildren to play in.

Liz-Ann has kindly offered to make up name tags for us all to wear—this will help newcomers and guests to identify us. We thoroughly enjoyed our guests Robyn and Peter Simpson and hope they will visit us again.

Our next meeting will be at Jackie and Doug Gurney's place on Tuesday 3rd March at 10 am. (Remember Easter Bonnets!)

"THE BEST TIME TO PLANT A TREE WAS 50 YEARS AGO; THE NEXT BEST TIME IS TODAY"

What's happening in Nerriga

NPSA will hold their next General Meeting on Saturday, March 14, at 3.30pm at the Hall. All are welcome.

NPSA's next Cake Stall on Easter Saturday, April 4. We hope to see you there.

Bees in Summer

By early December the problem of swarming from your hives should be in the past , and if the season is a good one , nectar will be streaming in to the hive and being converted to sweet , golden honey by the industrious occupants .

If your hive is a single box , now is the time to add another and allow the bees to fill it with honey Don't be too eager to harvest this honey , as it is your bee's food supply for the coming autumn and winter months . Instead , add another super (honey box) to the hive , and allow the bees to fill it before taking any honey for yourself . A beehive needs about 25 kilos of stored honey to survive winter on the Southern Tablelands , so keep this in mind as the summer progresses and be prepared to feed them to ensure they have sufficient for the winter.

It is very important to carry out disease and pest inspections at least every few months in the warmer seasons . Be on the lookout for such diseases as American or European brood disease , Chalkbrood and Nosema , along with many others from which bees suffer. Information on these diseases and their treatment can be found on the NSW DPI website , or in any of the published texts on beekeeping.

By far the major pest effecting bees in Eastern Australia at the moment is an insect called the Small Hive Beetle . Originating in Southern Africa it is believed to have entered Australia in a shipment of equipment from the USA , for the 2000 Sydney Olympic Games and was first detected in beehives in the area around the Richmond RAAF Base in about 2003 . It lays it's eggs in the hive , and the larvae proceed to eat their way through honey , pollen , wax and bee larvae , leaving behind a trail of faeces containing an enzyme which causes the honey to ferment , and reduces the hive contents to a gooey stinking mess , which in desperation to escape , the bees will abscond from the hive and seek another home.

Keeping bees in the Windellama area can be a very rewarding past-time , though with the unreliability of our native eucalypts it is mostly a case of feast or famine , and hope that the ever reliable weeds we spend so much time and effort trying to eradicate will provide enough nectar and pollen to keep our bees happy and well for another year.

I'm Josie, I don't like bees.

Citizen of the Year

Windellama local, Graham Kinder; named "Citizen of the Year" in the 2015 Australia Day Council Awards.

Graham is known to many people around Windellama. As a member of the Windellama Progress Association and Windellama Landcare since its early days, he is President and a Deputy Captain of the Windellama Rural Fire Brigade and Church Warden at St Bartholomew's Windellama and is seen working at many Community events in the area.

Few people however (apart from his amazingly supportive wife, Vickie), are aware of just how much he has done and continues to do for our Community. Apart from his visible support of the Windellama Public School, and of the work done by people like Bonita Armstrong with Can Assist etc., you may not be aware that Graham is also a volunteer with the SES CFR and also the Salvation Army Emergency Services Unit. So, during the tragic Blue Mountains Fires, Graham was up there on the fire line one week and then a change of Uniform to help families in the Springwood Disaster Recovery Centre, after the fires.

He is also a member of the NSW Emergency Services Aviation Operations Team. "We need to commit the time to train and put in the effort to help others, if we want them to help us when trouble threatens our area", says Graham. "Aviation for example, has become a major resource to help save lives and protect property but it is Volunteers who train and then staff the Airbases during Fires and Floods (it is only because we now have trained volunteers in the Goulburn Mulwaree Shire that we can get Fire-Fighting aircraft based at Goulburn airport during the fire season!!). It's also volunteers who get into the local Fire-Trucks and the Floodboats. It is Volunteers who provide the Community with Storm Teams and Community First Responder (pre ambulance) care". The statistics are starting to suggest that natural disasters are becoming more frequent and much more severe. "If no-one volunteers, or puts in the effort to train and build their skills, we will end up with an alarming lack of capability and diminished ability to cope with these types of disasters".

As a highly skilled trainer and manager, Graham was asked by the RFS in Sydney, to become a volunteer facilitator of the NSW Multi-Agency Leadership Programme (MALP). He regularly gives up his time to fly all around the State to train senior managers and executives of the NSW Ambulance, Fire and Rescue, Rural Fire Service and the SES. The Minister for Police and Emergency Services and the Commissioners recognise that we absolutely have to remove the old barriers and work much more effectively together. Programmes like MALP are recognised as making significant inroads into changing the old ways of thinking and developing strong, dynamic, professional leaders for the future. This is also helping put Windellama 'on the map' and that helps getting our area recognised when it comes to winning community grants and funding.

You probably didn't know that Graham's business was devastated in the Global Financial Crisis. Despite all the difficulties, he hasn't given up. He has consistently honoured his commitments to Windellama. He often drives from Sydney, straight to Brigade Training and the Brigade General

WIMDELLAMA ART, CRAFT AND FLOWER SHOW

The students enjoyed working on their entries for this year's Art, Craft and Flower Show. Thank you to the Windellama ladies who supplied lovely flowers for the students to use and also thank you to Farmer Felds for donating fruit and Vegetables.

Congratulations to Jordyn, Lachlan, Meg, Charlotte, Peppa, Tyler, Alexia, Tyla and Charlotte who all picked up a placing this year.

ATHLETICS TRAINING

Kevin Murphy has started coming to our school to train students in field events that they will participate in at our Small Schools Athletics Carnival next month.

Shot Putt and High Jump training with Kev.

BOTSWANA PERFORMERS

We were very fortunate to have a group of performers from Botswana come to our school to entertain us. These very talented performers will be performing at the Goulburn Carnivale and Multicultural Market on Saturday 28 February.

You probably didn't know that Graham's business was devastated in the Global Financial Crisis. Despite all the difficulties, he hasn't given up. He has consistently honoured his commitments to Windellama. He often

(continued from page 23)

Meeting, back to Sydney for contract work and back to Windellama for SES training, then back to Sydney to work again –all to support our Community. "Folk can't just stand back and wait for someone else to do all the work. You need to be a part of it. You need to take the initiative and actually do something to help build the type of Community we want for ourselves and our families".

Last year, the NSW State Emergency Services Commissioner recognised his commitment and his level of training. Graham was appointed as Unit Controller for newly established Windellama SES Unit, to help build on the tremendous work of Kevin Muffet and the original CFR team. This appointment follows Graham's years of service as a volunteer Training Officer for Goulburn SES. He remains as Deputy Local Controller of the SES at Manly in Sydney.

"Yes, it's true", replied Graham, when asked if he is actively looking for new people to put up their hand and volunteer to help the Windellama Community. "But it's not just about joining the new SES Unit here at Windellama or joining us at the Rural Fire Service. There are lots of ways people can make a real difference! Why not come to a Progress Association Meeting (2.30 pm 3rd Monday of every month at Windellama Hall). You can help out with the Windellama News or in the kitchen on Market Days or help on Brigade Auction Day or at the Field Day. Help mow down the oval or up at the Church (Services 11.30 am 4th Sunday of each Month). Why not join one of the great Garden Clubs in our area or support the Windellama Historical Society or Can Assist or the Windellama School (Fundraiser Auction and Fireworks on 6th June 2015), or come to a Landcare working bee."

It's not hard to see why the newspaper headlines called him "Mr Community".

"I was both honoured and humbled to receive the award. I was happy about the initial nomination. I hoped it might give me an opportunity to tell people about Windellama. I hoped we could encourage more people to support all our volunteer Community organisations. I never expected to win the Award. That's a bit embarrassing, but it is truly appreciated" Graham said.

The challenge now is to stay focussed on the real issues facing Windellama. Many communities degenerate into petty squabbles and backstabbing. Let's remain better than that! Windellama has a proud track record, thanks to the efforts of a few truly dedicated people. We have continually upgraded the Hall, led the State in local weather technology, built fire sheds and an SES shed, maintained the Church heritage site, the Museum etc. etc. Just imagine what we can achieve if more people get involved!!

Let's keep working together to support our schools and local charities. Let's continue building and maintaining our community infrastructure and growing resilience in times of fire, flood and storm.

For contact details about joining the SES, RFS or most of the other local organisations mentioned in this article, please see the inside back cover of this edition of the Windellama News.
